

JAGIELLONIAN UNIVERSITY  
IN KRAKÓW

## 3<sup>rd</sup> Jagiellonian Symposium on Fundamental and Applied Subatomic Physics

### Second Circular

Dear Colleagues,

We are pleased to announce that the registration and abstract submission for the 3<sup>rd</sup> Jagiellonian Symposium on Fundamental and Applied Subatomic Physics is now open.

The Symposium will start on June 23<sup>rd</sup> and last until June 28, 2019. Sessions will take place in the oldest building of the Jagiellonian University in Kraków and cover topics ranging from fundamental and applied particle, nuclear and atomic physics, through radiotherapy and medical imaging to healthcare, following the spirit of the Jagiellonian Symposium to bring together excellent scientists from diverse fields.

We cordially invite you to register on the Symposium website and submit an abstract of your contribution. We will circulate further details including scientific programme and practical information on reaching the Symposium venue in due time.

We are looking forward to seeing you in Kraków!
